

100% MOTORCYCLE

3 Year Parts Only Warranty Terms and Conditions

Please keep this document with the motorcycle to which it refers applies to all Thatcham approved Datatool systems

1. This Warranty does not affect your statutory rights.
2. The Warranty period is three years from date of installation, only applies to UK registered motorcycles and is only applicable to the original owner unless transferred (see Change of Ownership and Warranty Transfer procedure below).
3. If within the Warranty period the system proves to be defective by reason of faulty design, workmanship or materials (see also note 7), we undertake, subject to the following conditions, to have the defective system repaired or, at our discretion, replaced.
4. The system must have been fitted by a DATATOOL trained installer and used in accordance with the operating instructions.
5. The Certificate of Installation must have been completed and returned to DATATOOL within 30 days of installation.
6. Any attempt by an unauthorised individual to remove, repair or modify the system will render the Warranty null and void.
7. No liability will be accepted for any costs incurred where;
 - a) No fault is found
 - b) The fault lies with the fuses to the system or motorcycle
 - c) The fault lies with the motorcycle
 - d) Remote transmitters have been lost or damaged, have discharged batteries or need realignment
 - e) Assistance has been provided other than through the DATATOOL Dealer Network without prior approval from DATATOOL
 - f) Any defect or failure has been caused by outside force to, or misuse of, the system

Change of Ownership and Warranty Transfer

If you are the new owner of a motorcycle fitted with a DATATOOL System, you can continue to enjoy the benefits and peace of mind afforded by the DATATOOL three year warranty. Provided you have bought the bike within three years of the date of original installation, the unused portion of the warranty can be transferred to you. If there is less than two years of the original warranty remaining, the warranty will be extended for a period of two years from the date of transfer. **Please Note!** Any pre-existing condition must be rectified before the warranty may be transferred.

To transfer or extend the warranty, complete this form enclosing payment of £39.00 ¹ and proof that you are the registered keeper of the vehicle (e.g. copy of V5 document) and return it to the address shown. Alternatively, to transfer ownership only without warranty, enclose payment of £19.00 along with proof of ownership. You will then receive:

- Amended Certificate of Installation, accepted by most insurers as proof of system installation
- Spare set of operating instructions (warranty transfer only)

To take advantage of this offer, please complete and return the details below, accompanied by payment.

Name of Previous Owner _____
